## ACCOUNTANT'S COMPILATION REPORT

May 4, 2010

To the Board of Commissioners  
Lakewood Crime Prevention and  
Improvement District  
New Orleans, Louisiana

We have compiled the accompanying financial statements of Lakewood Crime Prevention and Improvement District (the District) as of and for the years ended December 31, 2009 and 2008, as listed in the index to report, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management of Lakewood Crime Prevention and Improvement District. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusion about the District's financial position and changes in fund balance. Accordingly, these financial statements are not designed for those who are not informed about such matters.

As provided for under the requirements of Louisiana Revised Statute 24:513, the District has not adopted the provisions of Governmental Accounting Standards Board Statement No. 34 for the years ended December 31, 2009 and 2008. The effects of this departure from accounting principles generally accepted in the United States of America have not been determined.
